

How the Waitlist Works

The Vancouver Society of Children's Centres (VSOCC) operates nearly 800 licensed child care spaces for children ages 3 months to 12 years old in 15 locations.

Our goal is to provide child care for as many families as possible, however our wait list does **not** work on a "first come, first serve basis".

With a few exceptions*, **we give priority to current VSOCC families and to families who live in the neighbourhoods around our Centres.** (* see chart on [page 3](#))

PROCEDURE

Most often, when a space becomes available, we offer it first to VSOCC children (Group A) and then to families in Group B. Then, if the space is not taken, we contact those who are on the general waitlist (Group C).

GROUP A: Children who are currently enrolled

Using the child's **start date** we offer spaces in the following order:

1. Children currently enrolled in the same centre
2. Siblings currently enrolled in a different VSOCC centre
3. Children currently enrolled in a different VSOCC centre

GROUP B: Children who had to leave VSOCC because of a lack of available space in the next age group.

GROUP C: Children who are on the waitlist

Using the child's **waitlist date** we offer spaces in the following order:

1. Children who have a sibling enrolled at VSOCC
2. Children of VSOCC employees
3. Children who live in the neighbourhood** where the centre is located
4. Children who live in other VSOCC neighbourhoods; or
5. Children who live outside of VSOCC neighbourhoods.

Other Considerations:

- If there are 2 or more children who have the same ***start or waitlist*** date, the **oldest child** will be offered the space first.
- VSOCC will only offer child care services to children who will be enrolled for at least 4 months.
- To be eligible for School Age programs, children must be enrolled in Elsie Roy Elementary School or Crosstown Elementary School.

**See [page 3](#) and [4](#) for a list of our centres/programs and for a map of our neighbourhood priorities.
